## About King's House

Christ the King Retreat Center rests on a bluff overlooking Buffalo Lake. Its tree covered grounds provide a sacred place for meditation and quiet time.

Legend has it that the area was occupied by Native Americans who called the place **Dabinawa**, meaning a sheltered, quiet place. Christ the King Retreat Center has provided such an atmosphere of peace and solitude since 1952. All who seek God and wish to grow in their spiritual lives are invited to come and share in the gift of **Dabinawa**.

## Proclaiming the Good News is our Goal

While our primary ministry is providing silent retreats, King's House is available for the spiritual needs and programs of the local Church.

We invite parishes or organizations to contact us for a day or evening experience of prayer and reflection.

**Spiritual direction, directed and private retreat experiences** are available throughout the year. Spiritual resources include video tapes, audio tapes, a spiritual reading library and gift shop/bookstore.

## Our Theme

# REAWAKENING HOPE

*Those who hope in the Lord will renew their strength.” (Is 40:31)* The trials and difficulties of life have a way of eroding our hope. Often they convince us that we’re the only solution and we begin relying on our own abilities. When we are hurting, how quickly we begin looking for a “fixer” God. Spirituality is not about remaking God but about transforming ourselves. Spiritual transformation comes from a personal encounter with Jesus Christ. Throughout the Gospels, people follow Jesus in the hope of finding new life and inner freedom. We, too, are called to follow and listen to the Divine Presence in our lives. Pope Francis reminds us that *“the Church is sent to reawaken hope everywhere. . .”* How do we reawaken hope in ourselves and in others? Hope gives us energy and direction for the journey. Join us at King’s House where our hope can be reawakened as we are invited to become beacons of hope in our fragile world.”
